TravelWise guide to Knowsley Leisure and Culture Park

Gordon Young, one of the UK's leading public artists, has created exciting art for the new facility. Unique sculptures, inspired by Edward Lear's alphas, have been permanently installed around the building. Residents have helped create the 26 letters for you to find in this spectacular public art trail. You can't miss the fish in boots as you enter the building, but can you find the hidden mouse?

For more information including details of what's on and membership offers, contact us on 0151 443 2200 or visit www.activeknowsley.com
